

# Orchestration & Configuration Management

Prica o kuvarima i receptima

# How do they do it?

Prica o stolovima i restoranu

# Configuration management

Ansible

An **ansible** is a fictional machine capable of instantaneous or superluminal communication.

Kad smo rekli da ce stack moci da se menja?

Desired state?

**I don't maek mistakes.**

Tough configuration management is good configuration management. - Sun Tzu

# Orchestration

Kada, gde ko i kako?

Distribuiranost

# Consul

Under the hood

**But...**

... how does it all come together?
